

**Morning prayers** - In Jesus's name, we cover ourselves and this place with the Blood of Jesus. We bind up and cast out every demon in here. We take authority over any demons in the name of Jesus. We bind them and order them to leave. We loose the seven Spirits of God and the angels of God to bless us in every way.

Father God, we ask you to send angels to protect our family and our property today, to keep us safe as we travel, and to bless us as we work. Please place a hedge of protection around us today, wherever we go. We ask for our minds to be peaceful and our bodies to be healthy, free of pain and sickness.

We ask for protection against all curses or witchcraft, against all occult or activity and spiritual plans to harm us, and over any plan or strategy that the enemy might use against us. We silence the voices of any deceptive spirits, and we bind them in the name of Jesus. We break and cut off harmful soul ties that are used by anyone to reach us, affect us or harm us in any way.

We ask for protection over us in every activity that we do today. Please protect our bodies, our minds, emotions and our spirits. Please protect our cars, finances, computers, phones, and our house. Thank you, Father for your love and protection over us. Amen.

If desired, read Psalm 91 or Psalm 121 or Psalm 125:1-2

**Evening prayers** - In Jesus's name, we cover ourselves and this place with the Blood of Jesus. We bind up and cast out every demon in here. We take authority over any demons in the name of Jesus. We bind them and order them to leave.

Please forgive us for any sins we have committed today, whether deliberate or inadvertent, known or unknown, things we did or left undone. We forgive and release anyone who has sinned against us or troubled us in any way. We purpose and choose to totally forgive and release them, we hold nothing against them at all. We forgive ourselves for anything that we have done that we don't feel good about. We will not hold onto guilt or regret.

Father God, we ask you to send angels to protect our family and our property tonight, and to minister to us while we sleep. Please place a hedge of protection around us tonight.

We ask for protection against all curses, witchcraft, and over any plan or strategy that the enemy might use against us. We silence the voices of any deceptive spirits, and we bind them in the name of Jesus.

We ask for protection over us as we sleep, so that our bodies and minds would heal as we sleep, and that our sleep would be sound, deep and restorative. Please protect our bodies, our minds, emotions and our spirits. Thank you, Father for your love and protection over us. Amen.

If desired, read Psalm 91 or Psalm 121 or Psalm 125:1-2
