

The Never Again List by Don Gossett

Real success in life comes from knowing and acting upon the Word of God. As it states in Joshua 1:8:

"This Book of the Law [the Word of God] shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."

Make the choice for your life that you will become a Word person. You may be called an "extremist" by some, but you can be extremely healed, extremely prosperous, and extremely blessed! If it doesn't line up with the Word, then we don't want it in our lives. Remember, our God always performs His Word, not our version of it.

Consider printing the following list and keeping it handy for when fear, doubt and all around attack from the enemy comes your way. Instead of mulling over those negative, unproductive thoughts, take hold of the promises and truth of the Word of God that is contained within this list, and meditate on them.

This is who God says you are, this is how He sees you. Believe it and receive it as yours. Your words are more powerful than you think. Retrain yourself in how you speak, and begin to speak these out over yourself, and you will be amazed at the change that will take place. The change will be gradual, but it will take place.

*"Death and life are in the power of the tongue, and those who love it will eat its fruit."
Proverbs 18:21*
