

Prayer To Remove Entities

In the name of Jesus Christ by His blood, I declare His dominion over all base entities dictated to master me and oppose my life and affirmation for the Lord Jesus Christ. I glorify and adore the Maker of Heaven and Earth, Jesus Christ our Lord. I humbly request that you appoint sacred angels to keep me from any tactics of the adversary created to oppose this petition for release.

I ask you to order all those demons and diabolical angels appointed in opposition to me to remain whole. Please do not allow them to divide, reform, and increase any entities employed to slave against me.

Dear God, I request that you erect a prohibition to all loitering spirits to end their duties and be banished. Please also bind all substitute demons and diabolical angels who have been commanded to recreate banished embankments. I beg you do not let them do that, please!

I attest God seated me alongside Jesus Christ in the heavens far above all principalities and preternatural entities of desolation. Please Lord force the powers of darkness having assignment against me to hear and obey you who are the Conqueror.

Jesus Christ, I beg you to command the principalities of darkness committed to dominate me to leave me alone. Banish them where they cannot vex me. I submit to all of the plans you have in this spiritual warfare I am surrounded by.

Through Jesus Christ I pray, who was crucified for us so that we may have an opportunity to live. Amen.
