

Prayer for Freedom from Constellations

Slightly edited from Bride Ministries

For those that are in deep bondage, they will find that their DNA is woven into the constellations. As constellations are composed of a group of heavenly bodies, this prayer employs unique language that is tailored to secure a rapid breakthrough from this type of bondage. Simply find the constellation that you are entangled with from this list of 88 constellations and use it in the prayer.

If you do not know where to start, I recommend starting with the constellation sign you were born under. Most people that renounce the constellation sign that they are born under find a great deal of deliverance manifesting.

Take note that in point number 2 there are four options. Depending on your current situation, you may find more peace with one option than another. Speak the option that provides you with the most peace. Do not speak all four.

1. Father in heaven, I come before you in the mighty name of Jesus Christ and I renounce the _____ constellation and its interface points with my genetics, cells of every type, DNA strands, bone marrow, anchors, and markers. I address all the powers of darkness associated with this constellation, including all related oversouls, and serve them a bill of divorce. I pull up the hidden documents detailing every covenant, contract, agreement, certificate, oath, and vow entangling me and include all related books of wisdom, books of knowledge, books of philosophy, books of time travel, Freemasonic books, and all other evil sacred books and command that they be stamped with the blood of Jesus. I call for them to be nailed to the cross of Jesus Christ and burned with holy consuming fire.

2. In the name of Jesus, I pray that your heavenly hosts would be put on assignment to discover and apprehend every alter/part belonging to me that is loyal to, affiliated with, or in bondage to the _____ constellation.
 - I pray that those parts would be escorted before the throne of the Father in heaven to be purged of their _____ components and completely healed and delivered.
 - I pray that those parts would be escorted to the feet of the Lion of the Tribe of Judah to be purged of their _____ components and completely healed and delivered.
 - I pray that those parts would be put to sleep.
 - I pray that those parts would be fired and sent to wherever the Lord Jesus sends them.

3. I now identify all territory in me occupied by the _____ constellation including territory in my genetic code, markers, cells of every type, bone marrow, DNA strands, and blood. I furthermore include all territory in my physical body (respiratory system, digestive system, cardiovascular system, renal system, endocrine system, nervous system, musculoskeletal system, exocrine system, glymphatic system, lymphatic system, immune system, and sexual system), soul, spirit, heart, decisions, worship, business, destiny, stars, offices, and relationships. I deed the territory over to the kingdom of God and I invite you, Lord Jesus, to take the throne and to rule over this territory with your rod of iron.
4. In the name of Jesus, I now bind all gatekeepers and discover each and every portal access point associated with the _____ constellation and its interface points with my genetics, markers, cells of every type, bone marrow, DNA strands, strongholds, and blood, and all sentient intelligences, along with their agendas, connected realms, timelines, and all associated counterfeit inheritance.
5. I place the blood of Jesus upon every portal access point in all timelines, every realm, age, and dimension, past, present, and future, to infinity, and from the beginning across eternity, and I seal them with the Holy Spirit. I declare that they are put to sleep and permanently deactivated from this point in time and out of time, forward and backward and in every direction, inside out, upside down, back and forth, reversed, inverted, and vortexed.
6. I take the sword of the Spirit, which is the word of God, and I cut myself free from the _____ constellation. I liberate my genetics, markers, cells of every type, bone marrow, DNA strands, and blood. I sever all sentient intelligences, along with their agendas, related realms, timelines, and counterfeit inheritance, in Jesus' name.
7. I return every form of counterfeit inheritance, inclusive of promised wealth, position, status, calling, ability, power, roots, pride, genetic code, seed, ungodly grafts, ungodly citizenship and all associated rites of passage, and any other form of counterfeit inheritance, in Jesus' name. I refuse it and sever myself from it, and from this point in time and out of time, forward and backward and in every direction, inside out, upside down, back and forth, reversed, inverted, and vortexed, I choose to receive my inheritance in Jesus Christ. I also declare your Word, which says that the wealth of the wicked is stored up for the just. I receive the wealth, freedom, giftings and abilities held hostage by the _____ constellation as a recipient of wealth transfer in Jesus' name. Furthermore, my physical children are an inheritance in Jesus Christ, and I receive them and their redemption in Jesus Christ. I renounce all spirit children related to the _____ constellation and undo all quantum entanglements involved in their creation. I command their judgment and the purging of the spaces and realms they occupy or interface with by judgment through living water mingled with all-consuming fire.
8. I renounce all ungodly paternal & maternal claims, sponsorships & affiliations, apprenticeships, royal appointments, offices & council appointments associated with the _____ constellation. I pray for an annulling of all associated dedications, ceremonies, and celebrations. In doing so I now declare reversal upon every ungodly pronouncement and judgement passed against me, my household, offspring, finances, marriage, destiny, mandates, stars, godly scrolls, and every other implicated component of my life and metron.
9. I now receive a blood transfusion, and new breath of life, from Jesus Christ. In the process, I declare that all _____ circuitry, nanotech, back doors, front doors, side doors, trapdoors, infinite doors, hidden doors, cords, insects, vampiric structures, reset devices, energy-draining devices, implants, wires, cables, chips, computers, chains, programs, backup programs, power sources, backup power sources, anomalous magnetic fields, gravitational manipulations, quantum regenerators, receptors, star dust, robots, embryos, fetuses, holograms, clones, data packets, ungodly grafts, and eggs are destroyed, and that all of their residue is purged with living water.

10. I now take authority over every evil spirit on the inside of me and around me that has been operating due to the _____ constellation and its interface points with my associated genetic code, markers, cells of every type, DNA strands, bone marrow, assignments, and blood. I declare that you are discovered, apprehended, bound, pierced through, and thrust out of me for judgment. I also discover every part that is a composite of genetic components of me and others associated with the constellation and held together by a cord that binds. I declare that the cords are cut, that cords in cords are cut, and that all three-fold cords are cut, and that each part is separated into its components. All ungodly components, and components that are not of me, are now bound. I declare that all of you are now being sent to where the true Lord Jesus Christ sends you.
11. I pray that every spiritual object, tattoo, device, label, jewel, amulet, necklace, earring, rock, crown, ring, bracelet, charm, garment, scepter, marker, power source, tracking device, system, grid, or branding placed in or around every part of me in order to anchor me to the _____ constellation would be consumed in the holy fire of Jesus Christ and totally dissolved.
12. I call for every algorithm or formula created from my DNA and genetic material that is projected throughout the _____ constellation to be shut down in every age, realm, dimension and timeline past, present and future to infinity. I command the immediate apprehension of every cosmic artificial intelligence and technology behind those projections and call for viruses encoded with heavenly algorithms to be uploaded into them and their computers in order to destroy them in judgment.
13. I identify every intergalactic data bank that contains within its records data, equations, algorithms and information of any manner extracted from my humanity. I declare that angels are sent forth to liberate every part of me held captive in these data banks. I pray that all records and information in them related to me would be forcefully erased, and permanently deleted. I call for the lightning of God to destroy every ungodly altar (both sacrificial & honorary) as well as effigies contained within the _____ constellation representing me or bearing my name, image, or likeness. I also call for the annulling and removal of every curse and ungodly insertion placed on the times and seasons of my life in synchronicity with the _____ constellation.
14. Lastly, I stand in my authority as a witness to cosmic injustice and as a child of the Most High God. It is written that the earnest expectation of the creation eagerly waits for the revealing of the sons of God. For the creation was subjected to futility, not willingly, but because of Him who subjected it in hope; because the creation itself will be delivered from the bondage of corruption into the glorious liberty of the children of God. Therefore, I call for the purging and healing of the heavenly bodies associated with the _____ constellation with the river of living water flowing from the throne of God. I pray that your lightning would now strike and sever any ungodly points of connectivity that remain. I render this entire confession established in every timeline, age, realm, dimension, planet, cosmos, and universe, past, present, and future, to infinity, and from the beginning across eternity.

Amen.
