

Spirit - Python Spirit - Prayer + Deliverance

Or the Spirit of Divination and It's Antics

Python is referred to in Acts as a spirit of divination. We know python as a powerful snake that constricts and squeezes its prey to death slowly. Just like the snake, the spirit of Python gets around its victim, which can be a person, family, church or area, and he slowly squeezes the life out of them.

This spirit works today just as it did against Paul in Acts 16:16 in Macedonia.

- When you pray to possess the land for God, the spirit of divination (python) begins to fight against you. His manifestations may be weariness, fatigue, confusion and frustration.
- His actions in churches, ministry, finances or your home are felt as he begins to tighten his grip on people.
- People leave their circumstances because he manifests heaviness, depression, oppression, and pressure.
- When the constriction gets stronger, the result is discouragement, factions and divisions.
- Other spirits that work with python are beguiling spirits, seducing spirits, Jezebel spirits, controlling spirits and manipulating spirits.

We can and must break their power in the Name of Jesus. If you have never exercised the authority of the Name of Jesus, you need to pray for God to give you a spirit of boldness.

When you battle the enemy, you must use your weapons of the Blood of Jesus, the Word of God, and in the authority of the Name of Jesus.

There must be no fear but you must be bold. The ruling spirit of Python will many times hide behind other demons but he is controlling their actions. Generals in an army don't expose themselves.

Divination means using witchcraft to try to discover future events or cause future events to happen by supernatural means.

- When you see the spirit of divination (python) operating, you will also see false prophesying, and a profit motive.
- Money will be attached just as it was in Acts 16:16.
- Look for financial problems. Python prevents business deals from closing favorably or he prevents sales from occurring.
- Church finances may dry up or constrict, trying to choke the church.

We must learn to differentiate fiction from fact and unreality from reality because the difference between the truth and a falsehood can be very subtle.

When the python spirit is operating, look for heaviness, sorrow, depression and oppression. There will be manipulation involved and people **will not be completely open to correction.**

They will try to control every situation. Customs and traditions may be strong and have to be torn down. Visions and creativity will be choked. Python will cause people to become fearful, weak and weary. People will start questioning their own vision, position and calling. **He tries to squeeze out of you everything God has called you to do.**

The ruling spirit of Python will many times hide behind other demons but he is controlling their actions. Generals in an army don't expose themselves.

Python usually has several spirits closely aligned that he controls.

- There is often found Beguiling spirits.
 - To beguile means to deceive, allure, and entice. They work to cause division in the Body of Christ. They often use charm and charisma to cause diversion.
 - They try to pull you away from Jesus and the leaders God places over you. They pull you from one church to another church.
- There may be Seducing spirits such as those that draw a person to a cultist. The cultist may be operating under seducing spirits that draws people.
 - Seducing spirits use lust, greed and pride to lead people astray.
 - Such spirits influence individuals in a church to bring about false worship and hurt the church.
- A Jezebel spirit in another person can make you feel drained when you are around them.

When Python is operating look for a spirit of Grief to try to get a foothold.

- He always tries to bring spirits of **Bitterness, Sorrow, and Disappointments** so that you end up feeling like everything is falling apart.
- Encourage yourself in prayer and begin to pull them down.
- Don't complain but express your love to God. Worship God and pray in the Spirit.

Remember Python wants to create **confusion**, so you will allow doubt to manifest in your mind.

Become involved in as much praise and worship as you can to maintain the victory. Remember who you are battling against. It is not flesh and blood. Stay in prayer as much as you can and remain obedient to God and His Word. Become accountable to a church and pastor.

Seven points of important observations (concerning the spirit of Python):

1. Remember, the serpent in Genesis was a **beguiling** one: seeking to convince Eve that God said something that He didn't say and twisting even the intend of God's Word.
2. This spirit will use **religious traditions**, the law, and self-righteousness to control/restrict and manipulate people within the church.
3. Because idolatry, deception, and divination are the foundation of this spirit --- watch false doctrine and even the refusal to respect Godly authority.

Read 2 Corinthians 10. Utilize these scriptures over the enemy.

“Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ; (vs. 5)”

Watch mind control.

4. The assignment of this enemy is to break down God's plans and purposes by attacking various individuals and trying to cause **confusion/strife** amongst the group that is moving forward to accomplish the work of God. (Undermining leadership, rebellion).

5. A python is known to **lay eggs** in many places—when in intercession, and while breaking its power --tread upon the enemy's territory and destroy the eggs as well.

God has given us the “power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.” **(Luke 10:19)**.

6. **Isaiah 59** gives a lot of insight into the serpent's mindset and activity. There are also keys to destroy his lair (den). The word **cockatrice** means poisonous snake or adder.

- Strong's 06848 Hebrew word: **Tsepha**. (read also Proverbs 23:23-33, Isaiah 11:6-12, Jeremiah chapter 8 for even greater insight on how to combat this spirit).

7. Remember, this enemy feeds upon **fear**—Utilize the Sword of the Spirit which is the Word of God to deal with the lies/deception coming out of the mouth of this enemy. **Hebrews 4:12** - Pray also for strong discernment.

I sign this with the signature of Jesus Christ of Nazareth and seal it with the blood of Jesus!

I declare and decree it now as so!!!! Hallelujah! Amen and amen!"

Blood covenants

If you in any way were involved in any blood covenants done with another person in your childhood or as an adult, they must be broken or you are still tied to that person in the spirit realm. The only one we are to have a blood covenant with is Jesus Christ, not man. A splitting of the skin and a pouring out of man's blood, shared with another is an occult practice and needs to be broken.

So pray:

In Jesus name I break the soul ties with the person I did the blood covenant with, shared blood with.

Satan, I stand separate and apart from them and renounce all connections to them in the spirit realm.

I forbid you to use anything against me, having to do with them.

(I declare all these null and void, cancelled, of none effect whatsoever.) I ANNOUNCE and trust only the shed blood of my Lord Jesus Christ, in Holy Communion, which I understand by faith,

and was commanded by Jesus to do in remembrance of Him, and His sacrifice for me (Luke 22:17-19).
