

Spirit of Arrested Development

What is Arrested Development Disorder? What Causes the Spirit of Arrested Development Disorder – Stunted Emotional Growth

The Spirit of Arrested Development disorder definition is to stop, slow, seize and capture a soul of a person emotionally immature and physically small in size. Satan keeps the person in prison so that they are not used by God.

In general the person infested by these demons will age normally on the outside but be immature on the inside. Emotional Arrested development demon claim to be sent by Satan personally. The arrested development demon stops progress past age 13 and brings the victim to any age it wants from zero to 13. The effects are devastating. At age 13 a person's too young to work and can't hold a job. The victim is unable to deal with the problems of an adult, becomes a job hopper and unreliable.

Spirit of Rejection, the Alcoholic Syndrome (spirit of addiction) and Leviathan (occultism) are three ruling spirits found closely related to Emotional Arrested Development Disorder.

Emotional Arrested Development Demon

The demonic kingdoms recognize that men are a trinity (body, soul, spirit). The enemy realizes that if growth in any of these three areas: 1) stunted emotionally or physically or 2) slowed and 3) weaken or even destroy the entire person. Satan's emissaries work constantly to control the person by disrupting this three-part harmony.

Arrested Development Demon

The causes arrested emotional development: The demonic function is to arrest development childhood, always bringing them back to age 13 and younger. He claims to have authority over homosexual spirits for they enter before age 13. In a girl, this spirit claims to have authority over spirits influencing a girl to be a tomboy to please her father, the demon will stir up the desire through the spirits passed on by ancestral curses, or may enter by molestation, incest, or even rape. The lesbian spirit is under the control of the spirit of arrested development disorder and begins to run at the age of 13. This powerful arrested development demon claims the lesbians and homosexuals are really 13 years old. The arrested development demon is also called the chronic prince of the emotional arrested development in adults.

At eleven he causes the girl to be scrawny and gawky looking. At twelve years old he embarrasses her because of her periods and emphasizes any ugliness in her body. The arrested development demon makes the girl believe that she is dirty and will never be able to clean herself from emotional arrested development disorder.

A related spirit too is anorexia nervosa which causes anorexia between ages zero to eight. The girl doesn't want to grow up and have a period, face the responsibilities of life and the world.

Spirit of Arrested Development Disorder in Males

In a male, the child has tendencies to want to cross dress, be homosexual. A male child will stay immature and demand to be babies. It will have tendencies of not wanting to take responsibilities. Many times a person with the spirit of arrested development disorder stunted in growth.

The demon wants to kill the person in the womb. This spirit also operated through suffocation, drowning, choking, obstruction of breathing, difficult pregnancy and crib death can cause emotional arrested development.

How Emotional Arrested Development effects both sexes

The emotional arrested development spirit does hinder the person from learning in school or affect the person's studies. The spirit would not allow a woman or man to make plans for marriage or have children. The emotional arrested development spirit will cause a person be sloppy, unkempt and slouch or be lazy and is not able to make goals for the future. Most persons with emotional arrested development are unable to marry, but even if they do it does not last. He makes them take drugs to be passive and sleep for hours at a time. He has a prince and a deputy who lives in the mind of the person to make sure that they do not advance past age 13.

List of the Arrested Development Disorder Spirit Characteristics:

- The arrested development demon also causes a person to drink.
- It causes a person to have temper tantrums to have their own way.
- A drug user will have a spirit of arrested development, unable to solve daily problems.
- Those who collect dolls and stuffed animals as grown-ups are slow in development. They do childish things such as playing with toys on their desks when at work.
- Will cause a child to scream for attention.
- Also those that run a lot and feverishly exercise all the time have a spirit of arrested development disorder.
- Actors and actresses have a spirit of arrested development.
- Even cooking and cleaning is a problem for them as they still want to be dependent on someone and will sometimes marry a person that will fill this role.
- Thirteen-year old's are unable to make decisions when shopping. At nine years old the child is attracted to a molester.
- The emotional arrested development demon has many friends in prisons, and he causes the criminal to go back on the streets and commit the same crimes again.
- they are unable to learn from experience.

How Does the Spirit of Arrested Development Disorder Occur?

Usually children with a spirit of arrested development disorder were born prematurely and were incubator children. Another entry is trauma at birth like a cord wrapped around the child and the child cannot breathe. Other types of traumatic events before the age of six such as:

- surgeries at a very early age,
- rape,
- Separation from parents or even given up for adoption develops a emotional arrested development disorder spirit.

If a father does not wake the child's spirit or is not accepted by the father, wrong sex, then the child can develop a spirit of arrested spirit disorder. Another entry is Lack of proper, consistent, and balanced scriptural discipline can also be a door through which a spirit of Arrested Development Demon enters our lives.

The child pinned as retarded but that is not the case.

A retarded person is not immature. They are slow learners and hinder from learning disabilities, but they do not have a spirit of arrested development. Sometimes children are mistaken to have learning disabilities but really, they have a spirit of arrested development and will mimic learning disabilities. Trauma shuts down a person because of the spirit of fear. The mind is in captivity keeping the person the ability to learn. This is not their intelligence (which is generally average or above) but their learning ability drags behind.

A spirit of Arrested Development run in the mind. As believers we are to take the authority in the name of Jesus Christ and cut across the network of demonic communication giving the wrong signals to our mind, will and emotions. As we receive deliverance from these spirits, we can be free of their influence and bondage.

A spirit of Arrested Development demons are a grouping of demons recently exposed in deliverance prayers and this is not an exhaustive study of demonization. By the world's standards most psychiatrists would diagnose with a spirit of arrested development as a mental disease and prescribe medication and therapy.
