

## Prayer to Heal Eyes and Recover Sight

*This is a prayer to heal and restore vision. There can be more than one cause to vision loss, including sin and generational curses, injury, trauma, illness and disease. My suggestion is to cover all your bases in prayer.*

Father God,

I thank You for Your Holy Spirit that gives us wisdom to know what to ask for in prayer. I come to you in the name and authority of Jesus Christ, Your Beloved Son. I first and foremost ask for forgiveness of sins, for myself, my family, and for the sins of my ancestors. I pray that the blood of Jesus would cover the sins of our family line, as well as the person I bring before you now in prayer. Let all generational curses be broken now and their sins forgiven, in Jesus name. I know You are a God of mercy, Lord Jesus, and You are able to heal. I know that whatever you ask from Your Father He will give you. You are the resurrection and the life, Lord, and I lift up my eyes (or disease, etc) to You right now in prayer.

I ask that You fill any areas of my body that may have deficiencies, with the fullness of Your Holy Spirit, for it is written the Lord is our Shepherd and we shall have no lack, according to Ps. 23:1. I specifically speak to the brain, the spinal cord, the nerve conductors, and the eyes.

Let the brain chemicals of serotonin, noradrenalin, norepinephrine, epinephrine, dopamine and all chemicals produced by the brain be correctly balanced.

Let every deficiency be filled and every over secretion be reduced to just the right levels for each individual.

Let there be no over production of cortisol.

Let every amino acid neurotransmitter function with perfect wholeness and soundness as it is in Jesus Christ.

Let every gene that has carried defective or mutated DNA that would perpetuate weakness, compromised health, mental instability or that which carries the result of a curse be healed at the cellular level.

Infuse every cell, every gene, every strand of DNA with the DNA and healing of Jesus Christ.

Let every curse be broken and sent back to the source, for You, O God, did not give us any DNA that would carry a curse. It came from the evil one, and I command him to take back everything that he has brought into me (or name the person you are praying for).

I pray that any damage to the brain itself, the neurotransmitters, and the centers for impulse control in the cerebral cortex be healed now in Jesus name.

Let there be light in every darkened area of the brain, emotions and in their spirit man.

I declare the amino acid and peptide neurotransmitters be rewired to function in perfect health and send the proper amounts of chemicals to regulate impulse control, stress management, peace, pleasure and pain management in perfect balance.

Let the acetylcholine functions be healed and restored to perfect health.

Let the chemical agents and the communication messengers between brain cells function in perfect harmony, balance, and soundness in every cell.

Let all things in the molecular structure that affect mood, anxiety, appetite, sleep, temperature, heart rate, self-control, discernment, impulse control, aggression, fear, stress management and other physical and psychological appetites, desires and occurrences be healed and restored to the perfect wholeness that exists in Jesus Christ.

Let all areas that have been damaged, those areas that are genetically unsound, weak, impaired or afflicted be healed, for it is written, "Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities, the chastisement for our peace was upon Him, and by His stripes we are healed," in Is. 53:4, 5.

Lord Jesus, You told us, Your disciples, to lay hands on the sick and they would recover, (Mark 16:18). You said in John 14:7 and again in John 14:16 that if we abide in You, we could ask whatever we desire in Your name and Your Father would do it, because it would bring glory to Your name. I ask that I would be healed in the cellular, molecular level of their genes, in their DNA, and that anything that resides there that is not of Your placement, nor Your will for me, would be supernaturally removed, replaced with Your fullness and restored to perfect health right now.

I command illness and disease to be removed and for their body to be healed in the name and authority of Jesus Christ.

I speak now to the eyes. I command the layers of tissue at the back of the eye to be filled with resurrection life in Jesus name.

I command the choroid tissue to be filled with oxygenated blood and nourishment and for the retina to reattach itself to the retinal wall. Let all the veins and capillaries that feed blood to the retina and the retinal wall open up and flow with oxygen rich blood that sustains healthy tissue development.

I command all debris in the blood stream and those particles that might be lodged behind the eye to be supernaturally removed now. Let any holes or leaks in the vitreous gel-like substance of the eye be healed. Put a patch over the leak, Lord. Let there be new growth of healthy cells and tissue.

If there is any collection of vitreous liquid under the eye, then supernaturally let it be removed and replaced back where it belongs, to provide a proper amount in the appropriate place in the eye.

I command all shrinkage and contraction of muscles, tissue, ligaments, and the vitreous substance to cease now and for proper amounts to be maintained for healthy function of the eye, in Jesus name.

I speak to the sclera, the cornea, the anterior and posterior chambers, the iris, the lens, the retina and vitreous humor, the rods and cones, the optic nerves and optic disk, the macula and the photoreceptors; I speak healing, restoration and recovery of sight in every area where it has been impaired or lacking. Let the rods and cones be of normal length, size and function. Whatever has been missing, even color cones, let them be restored now.

I command all abnormal blind spots, or those that came as a result of injury, illness, trauma, disease or placed there by the enemy to be removed now, in Jesus name.

I command all shadows or curtains over the eye to be removed now and for correct vision to be restored.

I command each part of the eye to function as they were designed to function in God's perfect will.

Let every injury, defect or the result of trauma, illness or disease be supernaturally reversed now, in the name and authority of Jesus Christ.

Father God, Lord Jesus, and Holy Spirit, I thank you for hearing my prayer and responding to it quickly.

I know that all healing comes from You and I thank you for releasing healing for those I've prayed for, in Jesus name, Amen.
