

Prayer for Breaking Word Curses

The prayer and scriptures below are used to break curses that others have spoken to us or spoken over us.

Lord we come to you and thank you Father for the blood of Jesus.

Jesus, we ask that You dispatch Your warring angels to war on our behalf to create an atmosphere of Your will being done in our lives. We bind our hearts and minds to Your blood. Curses Jesus. Father, we take the authority that You have given us in the name of Jesus to negate all negative word curses spoken over our homes, property, vehicles, pets, marriage, ministry, finances, prosperity, businesses, workspaces, relationships, health, emotions, thoughts and actions.

We curse the seed, the root and the fruit of word curses spoken over us in the name of Jesus. We render them powerless and ineffective against us. We break the word at the point of origin.

We bind up every evil spirit released to carry out these curses, cancelling their assignments and cast them out to the dry, void places.

We ask You, Father, to dispatch warring angels with flaming swords to destroy everything they are using as points of contact.

We forgive these people and ask You, Father, for a spirit of conviction to fall all those who choose to speak word curses against us. We pray that they see the error of their ways and turn to You for forgiveness and salvation. We bless them.

We cancel all prayers and words of agreement we may have spoken that put us in agreement with these assignments of witchcraft. We bind up the spirit of death and destruction over our homes, property, vehicles, pets, marriage, ministry, finances, prosperity, businesses, workspaces, relationships, health, emotions, thoughts and actions.

in the name of Jesus. We bind up the spirits of envy, unforgiveness, anger, retaliation, sabotage, ambush, counter-attack, backlash and distractions from operating against us and everything that pertains to us, in the name of Jesus.

In the name of Jesus, we blind all watchers of the enemy, deafen all listeners of the enemy, forbid reporting spirits to operate, forbid astral travel. We cancel every scheme, plot, plan, purpose and assignment of the enemy against our homes, property, vehicles, pets, marriage, ministry, finances, prosperity, businesses, workspaces, relationships health, emotions, thoughts and actions.

We bind up every evil spirit released to carry out these assignments, cancelling their assignments and cast them to the dry, void places in the name of Jesus. We use the shield of faith to cover everyone and everything that God has entrusted to us for our stewardship. We dwell in the secret place of Most High God. We thank you Father for hearing and answering our prayer. We thank you Jesus for dispatching angels as needed and we thank you Holy Spirit for living in us.

In Jesus Precious Name. Amen!

Five things to cover in breaking word curses.

- (1.) Forgive them for saying the curse
- (2.) If you judged them with condemnation, you must ask God to forgive you too.
- (3.) If you blamed God for their behavior, you must ask God's forgiveness.
- (4.) If you returned evil for evil, you must ask for forgiveness for your own sin.
- (5.) If you believed the lie, you must forgive yourself for believing the lie as well.
